

Hospital Pharmacists Association of Ireland

Annual Educational Conference
Crowne Plaza Hotel, Santry, Dublin
5th, 6th and 7th April 2019

Preliminary Itinerary and Programme

Note – Information Updates: Information relating to the conference is available on www.hpai.ie
Please check regularly for updates.

Friday 5th April 2019

Special Interest Group (SIG) Meetings will take place on **Friday evening from 730-9pm**. Further information will be posted on www.hpai.ie.

The sign-in desk will be open on the **Friday evening from 6.30pm to 7.30pm**. We ask members attending the SIG meetings and those present to sign-in at this time.

Please indicate on registration if you intend to attend a SIG and/or require dinner Friday night.

Note – Conference Access: Conference facilities and the pharmaceutical exhibition may only be attended by registered delegates. Conference badges for exhibitors and delegates will be required to gain entry to the conference area. To avoid being refused access, it is essential that delegates sign in at the appropriate time and wear name badges prominently for all sessions.

Workshop sessions

Delegates will have the opportunity to attend **2 out of the 6** workshops.

Workshop 1:

Effective provision of Medicines Information: a workshop for hospital pharmacists

Aim of workshop / Brief description

To provide an overview of common MI activities and demonstrate key approaches to help manage these activities.

Learning objectives

At the end of this session participants will be able to:

- Identify available MI resources
- Understand the approach required in dealing with medicines-related enquiries
- Identify proactive roles in MI
- Have an awareness of quality assurance and risk management processes in MI

Facilitator details

Claudine Hughes & Grainne O'Malley, National Medicines Information Centre, St James's Hospital.

Workshop 2:

Frailty

Aim of workshop / Brief description

To provide an overview of the pharmaceutical care of Frail and Older patients.

Learning Objectives:

At the end of this session participants will be able to:

- Identify pharmaceutical care requirements of frail and older persons

Facilitator details:

To be confirmed

Workshop 3:

Kidney Disease and Medicines Management

Aim of workshop / Brief description

- The aim of this workshop is to give an overview of the pharmaceutical management of a patient with renal failure.

Learning Objectives:

At the end of this session participants will be able to:

- Describe different ways to evaluate renal function and to understand advantages and disadvantages of each method.
- Discuss advantages and disadvantages of different reference sources on medication dosing in chronic kidney disease (CKD).
- Understand how Acute Kidney Injury (AKI) can occur and make recommendations for appropriate pharmaceutical care.
- Be familiar with CKD management and symptom control.
- Understand the different types of renal replacement therapy and medication dosing considerations.

Facilitator details:

Lisa Kelly, Senior Pharmacist, Midland Regional Hospital, Tullamore
 Martin Ferguson, Renal Pharmacist, Beaumont Hospital
 Dr Emmet Browne, Tallaght University Hospital

Workshop 4:

Carr Communications

Aim of workshop / Brief description

- This workshop is designed to provide participants with the key skills to communicate effectively, especially in the area of creating and delivering Business Pitches

Learning objectives:

- At the end of this session participants will be able to:
- Identify and meet the needs of the audience
- Implement an effective and proven approach to crafting Business Planning Pitches
- Apply methods to enhance the chances of gaining approval

Facilitator details

TBC

Workshop 5:

Cystic Fibrosis – Fighting for the right to breathe freely

Aim of workshop / Brief description

The aims of this workshop are to provide an overview of the pathophysiology of cystic fibrosis (CF), the challenges and burden of care associated with the management of CF and a look at the evolving pipeline of innovative modulator therapies.

Learning objectives:

At the end of this session participants will be able to:

- Have an understanding of CF as a multisystem disease.
- Understand the challenges and burden of care imposed on patients and care givers.
- Know which modulator therapies are available, how they work and challenges surrounding their use

Facilitator details:

- Dr. Fiona Ringholz, Consultant Respiratory Physician, Temple Street
- Ms. Sharon Deignan, CF Clinical Nurse Specialist, Temple Street
- Miss Emma O’ Grady, CF Pharmacist, Temple Street

Workshop 6:

Personalising Clinical Pharmacy

Aim of workshop

To improve participants’ clinical teaching of post-registration pharmacists. The workshop will cover clinical teaching strategies with a specific focus on application of the Supervision, Questioning, Feedback (SQF) model. Small group work will allow participants develop their skills

Learning objectives:

At the end of this session participants will be able to:

- Decide on an appropriate **level of supervision** for the learner.
- Use **strategic questioning** in order to engage the learner and facilitate development of their knowledge and clinical decision-making skills
- Provide **tailored, constructive feedback** to the learner in order to improve their knowledge and/or skills development, and provide them with an opportunity to reflect on, and learn from this feedback.

Facilitator details

Niamh McMahon, M.Sc., Claire Keane, M.Sc., Evelyn Deasy, M.Sc.
 School of Pharmacy & Pharmaceutical Sciences, Trinity College Dublin, St.James’s Hospital,

There is a special conference rate available up to **one month** prior to the start of the event.

Crown Plaza

Double Room & breakfast €144

Single Room & Breakfast €135

Please state that you are attending the conference when booking.

Holiday Inn Express Hotel

The Holiday Inn Express Hotel is next door to the Crowne Plaza Hotel, and offers Conference rates of €110 including breakfast.

Parking

Parking Facilities are available in the Crowne Plaza Hotels. The hotel car park is very busy on the Saturday morning. To avoid delays, please ensure you allow sufficient time to park and register for the conference before 9am.

There is no public parking available in any of the apartment block car parks. You will be clamped if you park here.

(HPAI advise delegates to use public transport and avoid parking at the hotel as parking is limited)

Registration and Conference Fees

Please note that you **MUST** have paid your 2019 HPAI membership **BEFORE** registering for the conference. Membership status will be verified on registration for the conference.

To avoid disappointment it is important to register as early as possible. Places are filled on a first come, first served basis.

Final date for the registration is March 28th

Type of Delegate	Fee	Late Fee (March 24 th – 28th)	On the day registration fee
HPAI Member	€70	€90	€110
HPAI Associate Member	€70	€90	€110
Pharmacy Intern	€25	€25	€50
Retired HPAI Member	€20	€25	€50
Non-HPAI Member	€500	€500	€500

Please note that conference fees include one free gala dinner ticket. Extra tickets at a cost of €55 euro may be purchased. To help us predict dinner numbers for Saturday night, please tell us on registration if you know you cannot attend the gala dinner. Please note there is no meeting fee reduction allowed if you cannot attend the dinner. It is also necessary to tell us your workshop preference when registering.

Method of Registration:

- The **ONLY** method to register for the conference is via the [HPAI Events](#) tab on www.hpai.ie
- Procedure: Go to the www.hpai.ie website, log in and click on 'Events' Scroll down and register for '*HPAI Annual Conference 2019 Delegate Registration Conference 2019*'. Please select your workshop preferences. Workshops are repeated in the afternoon. You will be allocated a different workshop in the afternoon. We will try to suit your preferences as best we can, though it may not be always possible.
- Online payments can be made via Paypal. This means the HPAI do not hold any of your credit/laser card details.
- If you wish to attend a SIG please sign up when registering for conference.

If you have any questions relating to registering for the conference please email hpaieducation@gmail.com

@theHPAI #hpai19

Acknowledgements

We would like to thank all companies for their support of the Pharmaceutical Exhibition. It is important for all delegates to make an effort to visit each stand – without this support Conference Fees would be much higher.
