

Senior Pharmacist- Clinical Trials

Children's Health Ireland Job Specification and Terms & Conditions

Job Title and Grade	Senior Pharmacist – Clinical Trials
Campaign Reference	144278
Closing Date	Monday, 27 th January 2020 by 23:59
Duration of Post	Permanent
Location of Post	<p>Pharmacy Department Children's Health Ireland (CHI) at Temple Street.</p> <p>CHI comprises of five locations in Dublin. The current children's hospitals sites are CHI at Crumlin, CHI at Temple Street & CHI at Tallaght. The Paediatric Outpatients and Urgent Care Centre, CHI at Connolly, Blanchardstown. Dublin 15.</p> <p>CHI Herberton is the corporate head office and is based at Block A, St. James's Walk, Rialto, Dublin 8.</p>
Context/ Background	<p>Children's Health Ireland (CHI) is leading on the clinical and operational transformation of acute paediatric healthcare and consists of hospitals at Crumlin, Temple Street and Tallaght. The three children's hospitals and CHI's Corporate Office transitioned from four separate, independently governed entities into one new single organisation on 1st January 2019 to govern and operate paediatric services in Dublin.</p> <p>This new organisation operates as a single service across the existing locations of Crumlin, Temple Street, Tallaght and the CHI Corporate Office and will transition to the new facilities at the two paediatric outpatient and urgent care centres at Connolly and Tallaght Hospitals and the new children's hospital on the campus shared with St James's Hospital.</p> <p>The Minister for Health appointed a new Board in September 2017, initially on an administrative basis to support CHI's Chief Executive and management team in the planning and implementation of the Children's Hospital Programme and to prepare for the transition of services from the existing three children's hospitals under the governance of the legally established Board, which commenced on 1st January 2019.</p>

	<p>Children's Health Ireland Programme is a major programme of work led by CHI, focused on transformative service change to enhance services for children and young people, to integrate the three existing hospitals, while maintaining existing and new services, ensuring patient safety and quality until transition is complete. It will:</p> <ul style="list-style-type: none"> • Operationalise an integrated acute paediatric healthcare network • Act as client for the government funded capital project to build the new children's hospital and the two paediatric outpatient and urgent care centres at Connolly and Tallaght Hospitals, and a separately funded research and innovation centre • Act as client to a major ICT programme to digitize paediatric healthcare • Commission, transition to and operate the new children's hospitals and the two paediatric outpatient and urgent care centres. <p>The new children's hospital will be at the centre of a new model of care with two new Paediatric Outpatients and Urgent Care Centres (OPD & UCCs) central to the delivery of this new model of care. The POPD & UCC based at Connolly Hospital on the North side of Dublin opened in July 2019. The POPD & UCC based at Tallaght Hospital on the South side of Dublin is due to open 2020. The addition of the new POPD & UCCs, together with the opening of the new hospital in time, will transform how healthcare is delivered to children in Ireland.</p>
Reporting Arrangements	<p>This post will report to the Chief Pharmacist.</p>

Terms and Conditions of Employment Senior Pharmacist – Clinical Trials	
Duration of post	This is a permanent role.
Remuneration	Remuneration is in accordance with the salary scale approved by the Department of Health: Current salary scale with effect from 1st September 2019: [Pharmacist Senior, Code: 3239]. Rising in increments annually from point 1: €62,720 to €72,590.
Annual Leave	Annual Leave entitlement is 30 days per annum
Working Week	<p>The hours allocated to this post are 37 hours as a standard working week. The allocation of these hours will be at the discretion of the Department Head and in accordance with the needs of the service.</p> <p>HSE Circular 003-2009 “Matching Working Patterns to Service Needs (Extended Working Day / Week Arrangements); Framework for Implementation of Clause 30.4 of Towards 2016” applies. Under the terms of this circular, all new entrants and staff appointed to promotional posts from Dec 16th 2008 will be required to work agreed roster / on call arrangements as advised by their line manager. Contracted hours of work are liable to change between the hours of 8am-8pm over seven days to meet the requirements for extended day services in accordance with the terms of the Framework Agreement (Implementation of Clause 30.4 of Towards 2016).</p>
Probation	<p>All employees will be subject to a probationary period as per the probation policy. This policy applies to all employees irrespective of the type of contract under which they have been employed. A period of 6 months’ probation will be served:</p> <ul style="list-style-type: none"> • On commencement of employment • Fixed term to permanent contract • Permanent employees commencing in promotional posts will also undertake a probationary period relating to their new post.
Pension	<p>Employees of Children’s Health Ireland are required to be members of the Hospitals Superannuation Scheme. Deductions at the appropriate rate will be made from your salary payment.</p> <p>If you are being rehired after drawing down a public service pension your attention is drawn to Section 52 of the Public Services Pension (Single and Other Provisions) Act 2012. The 2012 Act extends the principle of abatement to retired public servants in receipt of a public service pension who secure another public service appointment in any public service body.</p>

Place of work/location	Your place of work will be at CHI at Temple Street, Dublin 1. Due to the plan for one National Children's Hospital Service and the Satellite Centres, you may be required to transfer with the current hospital/service to a different location in the future. You will be kept informed and advised of the proposed relocation
Age	Age restrictions shall only apply to a candidate where he/she is not classified as a new entrant (within the meaning of the Public Service Superannuation Act, 2004). A candidate who is not classified as a new entrant must be under 65 years of age.
Maternity Leave	Maternity leave is granted in accordance with the terms of the Maternity Protection Acts 1994 and 2001.
Payment of sick leave	Children's Health Ireland operates a Sickness Absence Management policy in line with the new Public Service Sick Leave Scheme as introduced in 31 st March 2014.
Pre-Employment Health Assessment	Prior to commencing in this role a person will be required to complete a form declaring their health status which is reviewed by the hospital's Occupational Health Service and if required undergo a medical assessment with this department. Any person employed by Children's Health Ireland must be fully competent and capable of undertaking the duties attached to the office and be in a state of health such as would indicate a reasonable prospect of ability to render regular and efficient service.
Validation of Qualifications & Experience	Any credit given to a candidate at interview, in respect of claims to qualifications, training and experience is provisional and is subject to verification. The recommendation of the interview board is liable to revision if the claimed qualification, training or experience is not proven.
References	Children's Health Ireland will seek up to three written references from current and previous employers, educational institutions or any other organisations with which the candidate has been associated. The hospital also reserves the right to determine the merit, appropriateness and relevance of such references and referees.
Garda Vetting	Children's Health Ireland will carry out Garda vetting on all new employees. An employee will not take up employment with the hospital until the Garda Vetting process has been completed and the hospital is satisfied that such an appointment does not pose a risk to clients, service users and employees.
Ethics in Public	Positions remunerated at or above the minimum point of the Grade VIII salary scale (€68,310 as at 01.09.2019) are designated positions under Section 18 of the Ethics in

<p>Office 1995 and 2001</p> <p>Positions remunerated at or above the minimum point of the Grade VIII salary scale (€68,310 as of 01.09.2019)</p>	<p>Public Office Act 1995. Any person appointed to a designated position must comply with the requirements of the Ethics in Public Office Acts 1995 and 2001 as outlined below;</p> <p>A) In accordance with Section 18 of the Ethics in Public Office Act 1995, a person holding such a post is required to prepare and furnish an annual statement of any interests which could materially influence the performance of the official functions of the post. This annual statement of interest should be submitted to the Chief Executive Officer not later than 31st January in the following year.</p> <p>B) In addition to the annual statement, a person holding such a post is required, whenever they are performing a function as an employee of the HSE and have actual knowledge, or a connected person, has a material interest in a matter to which the function relates, provide at the time a statement of the facts of that interest. A person holding such a post should provide such statement to the Chief Executive Officer. The function in question cannot be performed unless there are compelling reasons to do so and, if this is the case, those compelling reasons must be stated in writing and must be provided to the Chief Executive Officer.</p> <p>C) A person holding such a post is required under the Ethics in Public Office Acts 1995 and 2001 to act in accordance with any guidelines or advice published or given by the Standards in Public Office Commission. Guidelines for public servants on compliance with the provisions of the Ethics in Public Office Acts 1995 and 2001 are available on the Standards Commission's website http://www.sipo.gov.ie/</p>
