

## POSITION VACANT

Applications are now invited for the following position:

### PHARMACY

○ **Basic Grade Pharmacist  
(1.0wte Full time, Permanent contract)**

Due to internal promotion, we have an opportunity for two Permanent Basic Grade Pharmacists.

- SPMHS Pharmacy Department has a clinically-focussed and expanding Pharmacist Team with opportunities for progression. Our Dispensary is mainly Technician-led with Accuracy Checking Technicians. The service is Monday-Friday 9-5pm and we close for lunch hour.
- Basic Grade/new to MH Pharmacists will get both experiential and formal online learning in various aspects of mental health including older adult, CAMHS, substance misuse, general adult and PICU (Psychiatric ICU).
- As part of SPMHS commitment to staff education and training, funding for a diploma or MSc in Clinical or Hospital Pharmacy may be offered to the successful candidate.
- SPMHS has electronic prescribing and notes which facilitates remote and hybrid working arrangements for pharmacists.

Applicants for this position must:

- Have a degree in Pharmacy
- Be registered, or eligible for registration, as a pharmacist with the Pharmaceutical Society of Ireland. (Applications are also open to students who are due to register with the PSI in 2022.)
- Proven clinical knowledge in the field and willing to develop the same
- Post registration hospital pharmacist experience (desirable)
- Experience of working in the field of psychiatry (desirable)

Informal Enquiries only to:

Ciara Ni Dhubhlaing, Chief I Pharmacist

Tel: (01) 2493261

Email: [cnidhubhlaing@stpatmail.com](mailto:cnidhubhlaing@stpatmail.com) (APPLICATIONS SHOULD **NOT** BE MADE TO THIS EMAIL ADDRESS)

A Job Description, detailing the roles and full criteria, is available from the career's page of the Hospital's website [www.stpatricks.ie/current-vacancies](http://www.stpatricks.ie/current-vacancies).
