

Staff Grade Pharmacist (Permanent, Full Time)

Applications are invited for the above post from suitably qualified persons.

Here, at the NRH, we have an exciting career opportunity for you to join our expanding team. The new purpose-built state of the art building includes 120 rehabilitation beds. Specialities include stroke, spinal and acquired brain injuries in adults and paediatrics. We are seeking a dynamic, enthusiastic and self-motivated Pharmacist to work with us at the National Rehabilitation Hospital (NRH) as part of the rehabilitation interdisciplinary team (IDT). This position would suit newly qualified pharmacists who want to gain a comprehensive training in a broad range of clinical conditions. Consultant ward rounds are attended by pharmacists providing an excellent opportunity to rationalise prescribing involving the patient and the IDT. We have a number of exciting projects ongoing e.g CRMS (Clinical Rehabilitation Management System) which includes the development of an electronic patient record and electronic medication prescribing.

- At the NRH we are committed to interdisciplinary working, and you will have the opportunity to work closely with professional colleagues providing a full range of rehabilitation services to our patients.
- The NRH is externally accredited by CARF (Commission for Accreditation for Rehabilitation Facilities), an internationally recognised, independent accreditation system.

The candidate must have the requirements below

- BSc (Pharm)M.P.S.I.
 - Be a registered Pharmacist with the Pharmaceutical Society of Ireland (PSI) or be entitled to be so registered
- and previous hospital experience is advantageous
